Organised by Taiwan Ministry of Education, the Taiwan International Student Design Competition aims to encourage international creative design exchange, to develop creative design talents and to express the international image of Taiwan attaching great importance to creative design.

This year's theme is: Opportunity.

There are four categories:

• Product Design • Visual Design • Digital Animation • Brand Specified

Entrants can participate in the competition as individuals or in teams. The submissions must be original and created by the participants themselves.

The evaluation will be based on the digital files provided by the participants. The evaluation committee will select finalists for the final selection. Finalists will be asked to submit printouts and upload works for the Final Selection. Related information and the deadline will be noticed in the finalist announcement.

There is no entry fee.
