UPDATE: deadline extended to November 1, 2014.

Graphic Armor, pioneer of the world's first condoms to feature high quality print right on the latex, is holding an international design contest to launch the world's first Tattoo Condoms.

Join the contest in starting a condom revolution and help change the way people look at condoms by changing the way condoms look. Change attitudes about safer sex by making the condom a canvas for personal and promotional expression. Proceeds will also help to support health agencies around the world with innovative campaigns to promote condom use.

You can enter up to three designs. There are no parameters on designs and all colors used in skin tattoos can be used for Tattoo Condoms. All designs must be 300 dpi, 6.75" x 1.75" (17 cm x 4.5 cm). File formats: JPG, PDF, PSD, AI, EPS.

All Graphic Armor's imprinted condoms are FDA approved, exceeding safety and regulatory standards around the world.

There is no entry fee.

ELIGIBILITY

The contest is open to everyone worldwide.

PRIZE

The top three designs, as determined by the voting public, will be printed directly on approved premium latex condoms for sales and distribution around the planet.

The winning designers' names will appear on all packaging, including the condom itself (!) In addition, the top three winners will get:

• 1st Place - $1000 • 2nd Place - $500 • 3rd place - $250
