Hosted by Aesthetica Magazine, the Aesthetica Art Prize is a celebration of excellence in art from across the world. It offers both emerging and established artists the opportunity to showcase their work to a wider audience, and further their engagement with the international art world.

The Art Prize is committed to innovation in art and it welcomes entries from artists working in all media.

There are two awards for entry: the Main Art Prize and the Emerging Art Prize. The Emerging Art Prize is open to current students and artists who have graduated within the last two years. The Main Art Prize is open to all, including those eligible for the Emerging Art Prize.

Artists may submit their work into any one of the four categories:

- Photographic & Digital Art
- Three Dimensional Design & Sculpture
- Painting, Drawing & Mixed Media
- Video, Installation & Performance

There is no theme. It is an open call for entries and you are welcome to submit work on any subject.

Entry is 24 GBP (approx. 30 USD) for one entry. You may submit up to two works in the same category per entry, unless you are submitting in the Video, Installation & Performance category, in which case you are limited to one work per entry.

ELIGIBILITY

Open to entrants of all ages and nationalities.
