Hosted by Aesthetica Magazine, the Aesthetica Art Prize is a celebration of excellence in art from across the world. It offers both emerging and established artists the opportunity to showcase their work to a wider audience and further their engagement with the international art world.

The Art Prize is committed to innovation in art and it welcomes entries from artists working in all media.

There are two awards for entry:

• Main Art Prize • Emerging Art Prize

The Emerging Art Prize is open to current students and artists who have graduated within the last two years. The Main Art Prize is open to all, including those eligible for the Emerging Art Prize.

There are no set categories this year, however you will be required to select the relevant discipline on the entry form.

There is no theme. It is an open call for entries and you are welcome to submit work on any subject.

Entry is 24 GBP (approx. 31 USD) for one entry. You may submit up to two works in the same category per entry, unless you are entering an Artists' Film, in which case you may submit one work per entry fee.
