The Biennial of the Poster Bolivia BICEBÉ is the most important international event in Bolivia and the Southern Cone regarding design and visual communication. Over 100 international designers have passed through its doors, leaving behind their experiences and skills in the design sphere, thus making the BICEBÉ an ideal space for cultural exchange.

The Biennial activities revolve around the International Call for Poster Design, which in turn brings about the main exhibition and the special prizes in all its categories:

- Cultural posters • Social posters • Advertising or commercial poster • Motion Design Poster (free topic) • Unpublished Posters

Contestants can submit up to 10 posters or a series of posters that can be considered as one piece. Design technique is free.

There is no entry fee.

ELIGIBILITY

Open to design students, graphic designers, plastic artists, photographers and graphic producers in general, of any age and nationality.

PRIZE

A first, second and third prize will be awarded in each category. All winners will receive medals and diplomas. The winner of the category Unpublished Posters will receive an additional award of 5,000 USD.
