The Lovie Awards is the only pan-European Award to honour the entire breadth of content created for the internet. The mission of the Lovie Awards is to recognise the unique and resonant nature of the European internet community - from Europe's top web and creative networks and content publishers to cultural and political organisations and bedroom bloggers.

Now in its seventh year, The Lovie Awards continues to celebrate the most resonant and pertinent stories in Europe, those inside and outside of the prevailing trends.

The five main categories are:

- Websites • Online Advertising • Internet Video • Mobile Sites, Apps & Podcasts • Social

You may enter work in English, French, Spanish, Italian, German, Dutch and Swedish. There is no limit to the number of entries that may be submitted by any entrant, nor is there a limit to the number of categories you may enter. All entries must be live and available from the date of entry through December

2017.

Entry fees start from 95 Euro (approx. 100 USD). Early Entry Deadline is April 21, 2017.

ELIGIBILITY

Open worldwide to all organisations and individuals involved in designing, building, managing, maintaining, marketing or promoting content for European business, consumer or general audiences.

It's not mandatory to be based in Europe to participate, but the work entered must be created on behalf of a European-based client or individual, for use by European web audiences.

PRIZE

All Gold, Silver and Bronze Lovie Award winners will receive a customised, engraved statuette to promote their achievements. Digital icons are also provided for winners' websites and/or publications.

Finalists are announced in September 2017, and winners in October 2017 with a celebration in November 2017 in London, UK.
