SOURCE: GRAPHIC COMPETITIONS

The Nature Photography Contest 2024 is an esteemed online competition that invites photographers from around the globe to capture the captivating beauty of nature. By showcasing the splendor of natural landscapes, wildlife, and macro photography, the contest aims to highlight the diversity and wonder of the natural world. Each participant's entry not only competes for recognition but also supports environmental conservation efforts, with a tree being planted for every submitted photograph. This unique aspect allows photographers to directly contribute to reforestation, making a tangible impact on the environment.

Photographers of all skill levels, from seasoned professionals to enthusiastic amateurs, are encouraged to participate. The contest spans ten diverse categories, including Natural Landscapes, Wildlife, and Macrophotography, ensuring a wide range of opportunities for showcasing different aspects of nature. The entry process is straightforward, with a nominal fee of 10 Euro per photograph, which helps support the contest's conservation efforts. By participating, photographers join a global community dedicated to celebrating and preserving the natural world.

The Nature Photography Contest 2024 offers significant rewards for exceptional work. The grand prize includes a monetary award of 1,000 Euro and a personalized certificate, recognizing the overall winner's contribution to nature photography. Winners in each category will also receive accolades and exposure, furthering their recognition within the photographic and environmental communities. Additionally, the overall winner has the unique opportunity to choose the country where the contest's reforestation efforts will be focused, directly influencing global conservation initiatives.

Entry fee: 10 Euro per photograph.

ELIGIBILITY

Open to both professional and non-professional photographers worldwide.

PRIZE

The grand prize is 1,000 Euro and a personalized certificate for the overall winner. Additional prizes will be awarded to winners in each of the ten categories, including Natural landscapes, Wildlife, and Macrophotography.
