

Third Eye Vision Contest

Category: [Multiple Disciplines](#)

Deadline: November 30, 2015

Website: graphiccompetitions.com

It can take a lot to get in touch with your creative side, and sometimes even the most artistic talents need a little inspiration in order to design something magnificent.

Got A Girl duo - producer Dan the Automator (*Gorillaz, Deltron 3030*) and actress/singer *Mary Elizabeth Winstead* - in collaboration with *EO Products*, have created the **Third Eye Vision Contest** to inspire and draw out the creativity that lives within each of us.

Designed around the idea that unlikely collaborations often make the most unique pieces of art, the contest seeks artists to create a **poem, video, song, photograph** or **piece of artwork** inspired by their third eye vision.

Types of files accepted are: *.pdf, .jpeg* and *text files*. Music files are accepted as *.mp3*. For video entries, upload your video to *YouTube* or *Vimeo* and paste the link to the video in the space provided in the entry form.

There is no limit on how many pieces participants may enter.

There is no entry fee.

Eligibility

This contest is open only to legal U.S. residents, over the age of 18.

Prize

There will be over **100 prizes** and the top entry will win **2,500 USD** and products from *EO* and *Got A Girl*.
