SOURCE: GRAPHIC COMPETITIONS

The Mexican Museum of Design, represented by the MUMEDI Foundation with support of Adobe Systems, call designers, students, teachers, professionals and anyone interested in the subject, to participate in the international poster contest To Death with a Smile.

The aim is to promote the exercise of good design and to stimulate creativity, so we might see the diversity and language richness in different cultures around the world, giving by every participant their own special style.

Subject is about death, a personal consideration or approach, the meaning in your own culture, how we fear, celebrate or deal with it. It can be reflected in serious or playful way.

Technique is freestyle but at the end it should go through any of the Adobe Software Family. Dimensions 60 cm x 90 cm, vertical. Format JPG with 200 DPI in RGB colors. Each participant may submit up to 3 proposals. You can enter the contest as an individual or a collective with no more than three participants.

There is no entry fee.

ELIGIBILITY

Designers, illustrators, artists, public in general or people with graphic representation background and anyone interested from any nationality, over 18 years of age.
