来源: GRAPHIC COMPETITIONS

The 4th edition of the Tubadzin Design Awards is an international competition for architects, designers and students. With a total value of awards of 78,000 Euro, the competition includes the following categories:

- Young Power • Everyday Design • Unlimited Architecture • Special category (CultureFORM)

This year's edition is guided by three hashtags: #life #culture #human. Entrants may submit any number of works.

There is no entry fee.

## ELIGIBILITY

Open worldwide to architects, interior designers, or designers who professionally perform this profession and for students - under 30 years of age - of faculties related to architecture, interior design, or design.

## PRIZE

The total value of prizes is 78,000 EUR. You can also get: trip to Tokyo, internship in Martin Duplantier Studio in Paris and in the Teatr Wielki - Polish National Opera in Warsaw, trip to the Salone del Mobile fair in Milan, high-value software sponsored by Graphisoft / WSC Sp. z o.o and CAD Projekt K&A, publications and promotion in industry magazines and social media.
