来源: GRAPHIC COMPETITIONS

Promoting educational campaigns in favour of Human Rights using design, art and other cultural manifestations, the association Escucha mi Voz is organising the We Used To Be Kids Poster Competition 2017 in favour of children rights.

Even though you can choose any of kids right to represent in your poster(s), this year's theme is paying special attention to the right to play and create.

Format requirements: 2953 x 4134 pixels (50 x 70 cm) at 150 dpi in RGB, vertical format. Posters must be original but not necessarily unpublished. Each participant will be able to submit up to 3 posters.

There is no entry fee.

ELIGIBILITY

Open worldwide to all designers, graphic and visual artists. No age limit.

PRIZE

The best 30 to 50 posters will be selected by an international jury and will be part of traveling exhibitions in Mexico (and probably in Latin American and North American countries as well).

Moreover, if your poster is selected you will have a free collection of postcards and your participation certificate.

The names of the selected designers will be announced during the month of September 2017. The exhibitions will start from October 2017.
