The International Compostela Prize for Picture Books is open to all publications included in the picture book category: a book in which the story is told through images, or through images and text that complement each other.

The books may be presented in any of the official languages of the Iberian Peninsula (Galician, Catalan, Basque, Castilian Spanish and Portuguese), and must be original and unpublished. Adaptations of originals or books that have already been awarded prizes in other contests will not be accepted. Works with more than three illustrations uploaded onto the Internet will not be accepted.

The projects may be presented in any size, technique and format, but may not contain any more than 40 inner pages (excluding covers and endpapers).

The jury will be composed of members with recognised prestige in the field of literature and illustration, and they will select the winner picture book according to their own criteria.

There is no entry fee.

ELIGIBILITY

Open to anyone worldwide.

PRIZE
