DETAILS / KEEP FOR REFERENCE

SOURCE: GRAPHIC COMPETITIONS

YouFab is a global award that evaluates, from a creative perspective, new endeavors in digital fabrication and widely promotes the initiatives of creators all around the world.

You can submit entries of all types of creative works made using digital fabrication tools such as the 3D printer, laser cutter or CNC milling machine. Or you can create your own digital fabrication tool itself and submit that.

A condition of entry is that works must be in their completed form and not left in the conceptional phase in the form of design plans or proposals. Submissions can be something that has already been launched, or something yet-to-be unveiled.

There are five categories:

• Products • Art • Machines • Hack • Beyond

There is no limit to the number of entries you can submit. Copyright of the submitted works belong to the entrant. Once the judging and display of winners is over your submission will be returned.

There is no entry fee.

ELIGIBILITY

Entry to the Awards is open to everyone (businesses can also enter).

PRIZE

• Grand Prize (1 winner): 1,000 USD and trophy • First Prize (1 winner): 500 USD and trophy • Finalists (Several winners): Award Certificate

The Award ceremony will be held on early January 2016.
