

39th Chicago Latino Film Festival Poster Contest

Category: [Graphic Design](#)

Deadline: January 13, 2023

Website: graphiccompetitions.com

Every year, the International Latino Cultural Center of Chicago selects the winning poster for the annual **Chicago Latino Film Festival**. The selected poster becomes the face of the Festival, as it will be on the official trailer, program book, invitations, electronic ads, t-shirts, and more.

The Chicago Latino Film Festival celebrates the richness and ingenuity of filmmakers from across the Latino diaspora (*including Spain and Portugal*). As such the image should be representative of how moving images are produced these days (digitally or on mobile) and how they are consumed (*big, small and medium-sized screens, on the theater or at home, a blanket on a wall, on a public plaza*).

Be imaginative and curious and even watch a couple of Iberoamerican films as you come up with ideas! Design must be easily translated to a variety of mediums. Only digital submissions will be accepted. Limit 3 entries per person.

There is no entry fee.

Eligibility

Open worldwide to all artists. Entries will be accepted from individuals, collaborative teams or design firms.

Prize

The winner receives a **1,000 USD** cash prize.
