The *Type Directors Club* is the leading international organization whose purpose is to support excellence in typography, both in print and on screen. Through their annual competitions, exhibition and frequent salons and workshops, they aim to celebrate the current stars of the typographic field and educate its future leaders.

They are now inviting submissions to their **Annual Communication Design Competition** and **Annual Typeface Design Competition**, the most highly-respected and selective competitions of typographic and typeface design from around the world.

Typeface Design categories:

â€¢ **Family** (*Single Typeface / Type Family / Type Superfamily*)

â€¢ **Competition** (*Text / Display / Type System / Pi or Ornament*)

â€¢ **Script** (*Latin / Non-Latin / Pi or Ornament*)

â€¢ **Design** (*Original / Custom / Revival*)

There is no separate category for student type designs. They should be entered in one of the design subcategories.

Extended or revised versions of older, previously published type designs are not eligible. This includes upgraded typefaces with newly expanded glyph sets in the original script (e.g., *with added Latin glyph subsets, design variants, small capitals, ligatures, swashes, alternates, numerical styles, expert, localized and historical forms, stylistic sets, ornaments*). However, designs that have authorized additions of scripts other than the original (e.g., *from Latin to Cyrillic, Greek, Arabic, Armenian, Thai, Han/Kanji, etc.*) are eligible.

Entry fees start from 45 USD.

Eligibility

Open worldwide to entries produced or published during 2016. Submissions can be by anyone associated with the entry.

Prize

Entries selected by the jury will receive **Certificates of Typographic Excellence**. They will be exhibited in the *63rd TDC Exhibition*, and appear in *Typography 38*.

The opening of *TDC63* will be held in **New York City** and will be on display during the summer of 2017.
