Art Talent Fair 2026

Category: Multiple Disciplines
Deadline: September 23, 2026
Website: graphiccompetitions.com

Art Talent Fair 2026 is an international contemporary art award dedicated to emerging artistic talent. The award is managed by Moho - Art Services and forms part of Moho Art Gallery's wider project supporting new artists within the contemporary art market.

The competition has an open theme and invites work across painting, photography, sculpture, mixed media, digital art, video, graphics and other artistic formats. This broad submission scope makes Art Talent Fair relevant to creators working across both traditional and contemporary visual media.

The stated purpose of Art Talent Fair is to promote participating artists and give them an opportunity to engage more directly with the art market. Through its connection with Moho Art Gallery and its programme of art-fair participation, the award is designed to connect selected contemporary practices with a professional gallery context.

Entry fee: €50 total for 1 artwork; €75 for 2 artworks; €105 for 3 artworks; €125 for 4 artworks; €140 for 5 artworks.

Eligibility

Open to professional and amateur artists, graphic designers, painters, photographers and other creators from any country, with painting, photography, sculpture, mixed media, digital art, video, graphics and other works accepted, up to five artworks per application and a maximum size of 3 × 3 metres per work.

Prize

Eight finalist artworks will be selected, with the eight selected artists each exhibiting their artwork at the MOHO GALLERY stand at the gallery's next scheduled art fair, identified in the 2026 rules as Genova Art Fair in February 2027; the current rules do not state a cash award.
