The BBA One Shot Award 2025 is an international photography competition inviting emerging and established photographers to showcase their creative talent through a single, powerful image. Organized by BBA Gallery to celebrate its 10th anniversary, this prestigious contest highlights unique perspectives across various photographic mediums, including lens-based photography, smartphone and mobile camera photography, digital and analogue film, and innovative AI-generated imagery. Participants are encouraged to submit compelling visual narratives that reflect originality, creativity, and technical excellence.

This annual competition offers photographers a unique opportunity for recognition and exposure within the global art community. Each entry is meticulously reviewed by a distinguished jury comprising renowned curators, photographers, and industry professionals dedicated to identifying visionary talent. The diverse, inclusive approach of the BBA One Shot Award ensures that photographers from all backgrounds, regardless of experience level or nationality, have an equal platform to present their artistic voice and gain international exposure.

Selected works will feature prominently at the BBA Prizes 10-Year Anniversary exhibition held at the iconic Kühlhaus Berlin, one of Germany's most prestigious contemporary art spaces. This exhibition not only celebrates outstanding photography but also facilitates meaningful connections between artists, collectors, curators, and photography enthusiasts. By participating in the BBA One Shot Award, photographers significantly enhance their professional profile and seize the opportunity to become part of an influential and inspiring artistic community.

Entry fee: €16 per entry.

Eligibility

Open to anyone aged 18 and above, regardless of gender identity or nationality.

Prize
