Now in its 18th edition, the Design-A-Sock Contest invites fans and artists around the world to submit unique sock designs, and maybe win the opportunity to see it produced.

Last year, even amidst a global pandemic, entries were received from over 85 countries across the world. Every entry celebrated confidence, self-expression and authenticity. This year, the company hopes to have an even better turnout with creative entries representing ideas from all over the world.

Maximum of 5 original entries per person, and maximum 6 colours per design. Any socks produced, are created with the artist's permission first. If they like a design that doesn't win, they'll contact you to see if you are interested before they move forward with production.

There is no entry fee.

Eligibility
Open to people 18 and older. Parents and legal guardians of children under 18 also may submit designs created by their children.

Prize
The winner will receive a 2,000 USD cash prize and their sock may be produced in one of the company’s future product lines. Second place will win a prize of 1,000 USD and third place will receive 650 USD.
