Environmental Photographer Of The Year 2023

Category: Photography
Deadline: August 30, 2023
Website: graphiccompetitions.com

Now in its 16th year, The Environmental Photographer of the Year competition showcases the most inspirational environmental photography from around the world. The award celebrates humanity's ability to survive and innovate and showcases thought-provoking images that call attention to our impact and inspire us to live sustainably.

All photographs submitted must have been taken after 1 January 2022. Each entrant may submit a maximum of three photos.

Some digital adjustment or editing is allowed, but entrants should understand that the objective is to remain faithful to the original experience and to never deceive the viewer or misrepresent reality.

Entrants must be the sole author and owner of the copyright for all the entries they submit, or they must have obtained permission from the copyright holder to submit the entries on their behalf. The photographers retains the copyright to all their entries.

There is no entry fee.

Eligibility

Open worldwide to all photographers, both amateur and professional, and of all ages.

Prize

Environmental Photographer of the Year: 5,000 GBP (approx. 6,350 USD) cash prize. Young Environmental Photographer of the Year: Nikon Z Camera + two Nikkor lenses. Also, additional 1,000 GBP cash prizes are awarded in the following four categories: Vision of the Future, Recovering Nature, Keeping 1.5 Alive, Adapting for Tomorrow.
