Head On Photo Awards 2022

Category: Photography
Deadline: June 5, 2022
Website: graphiccompetitions.com

Run by the Head On Foundation, a non-profit organization in Australia, the **Head On Photo Awards** seek the best work from emerging and established photographers across three categories:

â€¢ **Portrait**: the image must feature or reflect the essence of a person or group of people and must be photographed by the Applicant. Group portraits, self-portraits and collages are accepted.

â€¢ **Landscape**: Head Onâ€™s approach to â€˜Landscapeâ€™ is very broad and encompasses â€˜large vistaâ€™ images of the natural environment *(land or sea)*, urban or industrial settings. It may include people, but these should be â€˜incidentalâ€™ rather than the main subject matter.

â€¢ **Student**: open to year K-12 students enrolled in an Australian school or are homeschooled within Australia. Students may also enter the Portrait and Landscape categories.

Images must be produced by a photographic device *(including mobile devices)* that captures images (experimental processes welcome), in colour and/or black & white. You may enhance the image and apply filters. Copyright in the images remains the property of the photographer.

Entry fee: 30 AUD *(approx. 21 USD)* per image.

Eligibility

Open worldwide to photographers of all levels.

Prize

The Head On Photo Awards winners will share a massive prize pool, previously reaching 70,000 AUD, including **30,500 AUD** cash.
