Illustrated Silent Book Contest 2022

Category: Illustration
Deadline: February 15, 2022
Website: graphiccompetitions.com

The town of *Mulazzo* and the *International Organisation of Book Towns* present the seventh edition of the **International Illustrated Silent Book Contest** expressly dedicated to silent books, that is, **illustrated books without words**.

Given that the illustrated book and the visual language of illustrations and pictures are in no way secondary to written language, with a universal power and potential that supersedes any barrier of language or genre, the *Silent Book Contest* invites authors and illustrators to think up and design a book conceived exclusively for the telling of a story through illustrated images, on **any subject** and intended for a wide and diverse section of the reading public, regardless of genre or age.

For each book project sent to the competition, a complete layout should be created. The layout must be a single digital file, exclusively in **high-quality PDF** format.

Entry fee is 50 Euro *(approx. 59 USD)* for each book project *(a maximum of three book projects per single author is permitted)*.

Eligibility

Open to all illustrators with new book project of any nationality, place of birth or residence, provided that they are over the age of 18 on the *15th February 2022*.

Prize

The winning book project of the Silent Book Contest 2022 will be published by October 2022 by Carthusia Edizioni. The author will sign a regular publishing contract and receive a cash prize of 4.000 EUR *(approx. 4,740 USD)*, as advance on the royalties.
