Category: [Photography](#)

Deadline: April 5, 2018

Website: <https://bit.ly/2FxEhJ2>

An international jury awards the **Leica Oskar Barnack Award** to professional photographers whose unerring powers of observation capture and express the relationship between man and the environment in the most graphic form, in a sequence of a minimum of 10 up to a maximum of 12 images.

There are two categories:

â€ **Leica Oskar Barnack Award** (*open to professional photographers*)

â€ **Leica Oskar Barnack Newcomer Award** (*open to all future professional photographers who are not older than 25 years*)

Entry submissions must be a self-contained series of images in which the photographer perceives and documents the interaction between man and the environment with acute vision and contemporary visual style â€ **creative, groundbreaking and innovative.**

Participants must send in a series of photographs taken in *2017/2018* or long-term projects containing at least one photo from *2017*. Only one entry per photographer is accepted.

Entries will be accepted exclusively as online submissions between *March 1* and *April 5, 2018*. All digital images prepared for uploading must be 1200 pixels high. The width of the image is variable in proportion.

**There is no entry fee.**

## Eligibility
