

Leica Oskar Barnack Award 2019

Category: [Photography](#)

Deadline: April 1, 2019

Website: graphiccompetitions.com

Organised by Leica Camera, the **Leica Oskar Barnack Award** awards photographers whose unerring powers of observation capture and express the relationship between man and the environment in the most graphic form, in a sequence of a minimum of 10 up to a maximum of 12 images.

There are two categories:

â€¢ **Leica Oskar Barnack Award** (*open to professional photographers*)

â€¢ **Leica Oskar Barnack Newcomer Award** (*open to all future professional photographers who are not older than 28 years*)

Entry submissions must be a self-contained series of images in which the photographer perceives and documents the interaction between man and the environment with acute vision and contemporary visual style â€” **creative, groundbreaking and innovative.**

Participants must send in a series of photographs taken in *2018/2019* or long-term projects containing at least one photo from *2018*. Only one entry per photographer is accepted.

Entries will be accepted exclusively as online submissions between *March 1* and *April 1, 2019*. All digital images prepared for uploading must be 1200 pixels high. The width of the image is variable in proportion.

There is no entry fee.

Eligibility

Open to anyone worldwide.
