LensCulture Portrait Awards 2015 Competition

Category: Photography
Deadline: February 23, 2015
Website: https://bit.ly/3KzFK5v

LensCulture Portrait Awards 2015 is an international competition seeking the best portrait photography from all the corners of the world. The competition is **open to everything**. All points of view, all levels of expertise and all ideas of portraiture.

From fine art to spontaneous selfies, from hyper-perfect photoshopped portraits to seductive (*and often fictitious*) social media profile pics, to mobile phone snaps altered with digital nostalgia filters. Some are candid, some are staged, some are outrageous and silly, others are just plain beautiful.

There are two categories:

â€¢ **Photo Series**:

Submit up to 5 or more photographic portraits that work well together as a series â€" variations of a single person, or members of a group, changes over time, etc. This category is open to all interpretations of what can be called a "*portrait*" - thematically, conceptually, sociologically, as a story, or simply as a range of your photographic talent.

â€¢ **Single Image**:

Often, a single powerful portrait captures our attention as honest, genuine, striking, meaningful, and memorable. A great portrait can stand on its own, demonstrating a remarkable level of intimacy, psychological perception, sensitivity, and creativity. All techniques of photography are welcome, and all interpretations of what defines a "*portrait*" are invited, as well.

All entrants must be able to supply high resolution images suitable for printing in media, and for public exhibition. All photographers **retain full copyrights** for their own work.

Entry fee: 20 USD for 1 single photo / 45 USD for 2 or 3 single photos / 60 USD for a related series of up to 10

photos.

Eligibility

The competition is open to everyone worldwide, 18 years and older, professional and amateur photographers alike.
