

Love Your Body 2014 Poster Contest

Category: [Multiple Disciplines](#)

Deadline: December 2, 2013

Website: graphiccompetitions.com

The **National Organization for Women Foundation** hosts an annual poster contest to celebrate the Love Your Body Campaign. Winning posters will be chosen based on how well they counteract the media's use of narrow, unrealistic, negative images of women and/or challenge advertisers that profit from women's dissatisfaction with their bodies.

Posters should be graphically attractive and use a dynamic message. We especially look for images that demonstrate beauty is not limited by body size, body type, ethnicity, age or physical appearance. The winning posters will be displayed in schools and other public settings, so please consider this when designing your poster.

Poster should be no larger than 9" x 12". Artists may submit multiple posters in the same category, but may not submit posters in different categories. Category is determined by the age of the designer/artist. Only original artwork will be considered.
