

Pictoplasma Berlin 2022 Animation Festival

Category: [Multiple Disciplines](#)

Deadline: April 23, 2022

Website: graphiccompetitions.com

The **Pictoplasma Berlin 2022 Animation Festival** is now calling for entries, seeking for any high-grade characters in animation, narration, music visuals, experimental work or motion graphics, from any part of the world.

Pictoplasma is the world's leading platform for contemporary character design and art. The project pushes forward interdisciplinary discussion, development and promotion of a new breed of visual vocabulary from illustration to animation, game to interactive design, urban to graphic arts.

Pictoplasma Festival every year transforms Berlin into the world's most exciting meeting point for a diverse scene of international artists and creatives, trailblazing the face of tomorrow's visual culture.

High-grade Characters in animation, narration, music visuals, experimental work or motion graphics, from any part of the world, are accepted.

There is no entry fee.

Eligibility

Open to anyone worldwide.

Prize

Selected works will become part of the Characters in Motion 2022 screenings and the Pictoplasma Berlin 2022 festival program.
