Quadaward International Design Award

Category: [Multiple Disciplines](Multiple%20Disciplines)
Deadline: September 30, 2014
Website: https://bit.ly/3OUmxOC

quadaward is the first crowd-based International Design Award: independent and free of charge.

Â« We want to replace the flow of expensive design-competitions with an alternative, up-to-date model which will enable the designers and students to enter the international comparison free of charge and to present their best works. Â» (*Anna Christowzik and Claudius Scheuch, designers and founders of quadaward*)

Designers can submit their best works in nine categories:

â€¢ **Logo**
â€¢ **Corporate Design**
â€¢ **Print**
â€¢ **Book**
â€¢ **Poster**
â€¢ **Typography**
â€¢ **Packaging**
â€¢ **Digital Media**
â€¢ **Illustration**

Any user can view and rate the competition submissions. On a quarterly basis (*Spring, Summer, Autumn and Winter*) the quadawards will be awarded in different categories â€“ based on the ratings given by the community.

There is no entry fee.
