

RMJMphoto Instagram Competition

Category: [Photography](#)

Deadline: September 29, 2017

Website: graphiccompetitions.com

In 1956, **RMJM** set out a vision to revolutionize the architecture industry. Over the following 60 years, *RMJM* has created some of the world's most iconic architecture. Now, they're on a mission to find the best photograph of an RMJM building. They ask to capture one of their buildings with the perfect photograph and enter this competition to win a cash prize and have your work displayed in 27 RMJM studios across the globe.

To enter simply follow *RMJM* on **Instagram** and upload your photograph along with the hashtag *#RMJMphoto*. The image must be an original photo and include an RMJM building.

To see a list of RMJM projects take a look at their [portfolio](#).

There is no entry fee.

Eligibility

Open to anyone worldwide. Entrants under 18 years of age require permission of a parent or guardian.

Prize

After narrowing down selections to a final shortlist of 10 images from the entrants, the shortlisted contestants will be asked to submit their original image by email to an address provided to them.

The winner, picked by RMJM, will receive a **250 GBP** (*approx. 320 USD*) cash prize and have their photo featured in RMJM's studios around the world.
