The **RSA Student Design Awards** challenges emerging designers worldwide to tackle pressing social, environmental and economic issues through design thinking.

The goal is to empower a generation of savvy, employable designers who understand the potential of design to benefit society. This is encouraged through a competition that challenges students and recent graduates to think differently about design, by tackling briefs focused on real-world problems.

The eight briefs address important social, environmental and economic issues:

â€¢ **Creative Conditions**

â€¢ **Moving Pictures**

â€¢ **Water For All**

â€¢ **The Daily Diet**

â€¢ **Human By Nature**

â€¢ **Fair Play**

â€¢ **Mobility City**

â€¢ **Heritage By Design**

Submissions are accepted from both individuals and teams. Some projects may be more suited to teamwork than others. There is no set number of people that can be part of a team, but generally team entries comprise 2 or 3 people.

The intellectual property rights (*patents, registered designs, unregistered design right, copyright, etc.*) of all designs submitted in the competition **remain with the candidate**.

There is an entry fee of Â£35 (approx. 56 USD). Reduced entry fee of Â£25 (approx. 40 USD) before *February 4, 2015*.
