

The Chelsea International Photography Competition 2021

Category: [Photography](#)

Deadline: April 27, 2021

Website: graphiccompetitions.com

Entry is now open to the **Chelsea International Photography Competition 2021** to all talented photographers from all over the world.

The Chelsea International Photography Competition (CIPC) honors gifted talents worldwide striving for their passion in photography.

The organizers are inviting photographers, both professional and amateur, to participate and get the chance to be discovered and promoted professionally in the heart of New York's art district.

Entry fee:

Amateur Photography: 25 USD per entry for up to 5 images

Professional Photography: 45 USD per entry for up to 5 images

Eligibility

Open to anyone worldwide.

Prize

This year's CIPC will have awards valued at more than 55,000 USD and reward selected artists with an exhibition in Chelsea, New York, along with numerous PR opportunities. This event also supports career growth and recognition as it provides exposure to the community and get the chance for submissions to be reviewed by a distinguished panel of jurors.
