

Vega Digital Awards 2023

Category: [Multiple Disciplines](#)

Deadline: April 26, 2023

Website: graphiccompetitions.com

The Vega Digital Awards are an international competition poised to honor excellence in the planning and execution of digital communications, highlighting the vital role of digital pioneers in an ever-changing digital landscape.

The Awards recognizes and celebrates excellence in Websites, Video, Mobile, Social, Animation, Marketing, and Podcasts.

Vega celebrates the very best brought forth by the world's digital architects and craftsmen. Since the competition focuses on excellence, it does not matter whether the submission is from a firm or an individual; a professional or an enthusiast; a veteran or a novice – what matters is the work itself, wherein the details, innovation, creativity, and foresight shine brightest.

Submitted works must be within a two-year window from their creation. Entrants may submit their project in one or multiple categories.

Regular Entry is 115 USD for each work or 185 USD for each campaign or plan. If a work is submitted in more than one category, an additional entry fee for each category is required. Each entrant is charged a flat 30 USD annual administrative fee.

Eligibility

Open worldwide to all digital media companies and organizations, regardless of size, from sole proprietors on up.

Prize

One professionally designed certificate commemorating the winning entry. Top tier (Platinum and Gold) winners will be featured on Vega Awards site's Gallery. Also, Platinum, Gold, and Silver winners may purchase beautiful Vega Awards statuettes, and/or additional customized certificates.
