VIEW Award 2015 Computer Graphics Competition

Category: <u>Multiple Disciplines</u> Deadline: September 15, 2015 Website: <u>graphiccompetitions.com</u>

VIEW Conference, the premiere international event in *Italy* on Computer Graphics, Interactive Techniques, Digital Cinema, 2D/3D Animation, Gaming and VFX, is now calling for entries for the **VIEW Award 2015 Competition**.

After the international success of the past editions, the 2015 contest is ready to widen its scope with new themes, new subjects and new contestants. As the last few years, *VIEW* will include both students and non-students works.

There are three categories:

• Animation • Documentary • Experimental

All entries must have been completed from 2014 to 2015 to be eligible. Duration: maximum length is **30 minutes**. Both individual and group projects are accepted.

There is a 10 euro fee if you submit via *festhome* (*this is the easiest way to submit*), otherwise you can submit by sending your physical video for free.

Eligibility

Any animated short from all over the world with 2D/3D animation and VFX, that is from 2014 to 2015, is eligible.

Prize

Winners will receive prizes in cash, technology and paid internships.

The 16th International Computer Graphics Conference - View Conference - is scheduled for 19-23 October 2015 in **Turin**, Italy.
